

ERC Health Select Program for Employers

ERC Health is pleased to announce an optional, patient centric medical program that will align employees with physicians that are focused on improving their health and wellness while reducing health care costs for ERC Health member organizations! This new option is called ERC Health Select.

How Can Employers Save?

When at least 10% of the employer's enrolled employee population agrees to participate in the ERC Health Select program, employers can expect a premium reduction on those employees for the remainder of the renewal year.

How Do We Offer This Program?

Any current ERC Health organization can enroll during the Open Enrollment Period. All an employer needs to do is complete the Employer Intent Form and return it to select@erchealth.com.

How Do Employees Enroll?

This is an enhanced program to ERC Health, with no additional cost to participate. Employees can opt into the program by selecting a Family Care Practice from the ERC Health Select physician practices and filling out a ERC Health Select Designation Form.* They then participate in a comprehensive physical exam within the first 90 days of enrollment and thereafter annually.

Where Are the Locations?

ERC Health will initially launch six carefully selected, independent primary care practices. They are located in:

- Beachwood
- Chagrin Falls / South Russell
- Mentor
- North Royalton
- Middleburg Heights
- Westlake

What Your Employees Can Expect?

Employees who have enrolled in ERC Health Select will enjoy enhanced benefits to their existing coverage including:

- \$5 co-pays**
- \$5 generic medications, offered onsite**
- Use of Care Guides (medical office staff who assist members with care services)
- Telephone and email with the dedicated Care Guide in the practice
- Preferred scheduling
- Extended weekday and weekend appointment hours
- Physician availability 24/7/365
- Physician directed chronic disease management
- Members have the flexibility to see any of the physicians within the ERC Health Select practice that they designate

Please contact your Health Benefits / Insurance Broker Representative with questions. You may also email select@erchealth.com

* Available at initial sale and/or at renewal

**Not applicable to plans where office visit and pharmacy are subject to deductible/co-insurance.

Medical care is provided by independent, licensed medical professionals.
